Volume 39 Number 1 January 2004

CONTENTS

The Theme of This Month: Recent Advances in Endoscopic Mucosal Resection for Early Gastric Cancer—Endoscopic Submucosal Dissection

Introduction .......................................................................................... Hiroyuki Ono ... 13
The Positioning of Endoscopic Submucosal Dissection for Early Gastric Cancers—Based on Experience with EMR ....... Akimichi Chonan ... 15
Treatment Strategy for Early Gastric Cancer in the Elderly .............. Hitoshi Kato, et al ... 23
Result of Submucosal Dissection EMR Using an IT Knife ................ Hironao Hamada, et al ... 27
Endoscopic Submucosal Dissection with the Hook Knife ............... Tsuneo Oyama, et al ... 35
Merits and Demerits of Endoscopic Submucosal Dissection
Using a Flex Knife .............................................................. Naohisa Yahagi, et al ... 39
Endoscopic Submucosal Dissection—8-ERHSE Method ............... Masahiro Ishigooka, et al ... 44
Endoscopic Submucosal Dissection—Using Sodium Hyaluronate and a Small-caliber-tip Transparent Hood ...................... Hironori Yamamoto, et al ... 46
Endoscopic Submucosal Dissection—Using a Improved Double-channel Therapeutic Videoendoscope ......................... Koichiro Kuni, et al ... 50
Endoscopic Submucosal Dissection—Using a Triangle-tipped Knife ................................................................. Haruhiro Inoue, et al ... 53
The Indication for Endoscopic Mucosal Resection in Early Gastric Cancer from the Viewpoint of Lymph Node Micrometastasis ........................................... Shoji Natsugoe, et al ... 57
Sentinel Node Navigation as a Novel Method to Expand the Indication of EMR for Early Gastric Cancer ............................. Yuko Kitagawa, et al ... 64

(Conversazione)
The Positioning and the Issues of Endoscopic Submucosal Dissection .......................................................... Hiroyasu Makuuchi, et al ... 70

Case Reports
Esophageal Endocrine Cell Carcinoma, Report of a Case .......... Masakazu Hatori, et al ... 89
Rapidly Progressed Endocrine Cell Carcinoma in the Ascending Colon, Report of a Case .......................... Toshihiko Hira, et al ... 95
Adenoma of the Sigmoid Colon Difficult to Differentiate from Invasive Colon Cancer, Report of a Case ....... Yayoi Oishi, et al ... 101
Carcinoid Tumor of the Rectum with Extramural Giant Growth, Report of a Case ........................................... Shinaro Nakashima, et al ... 107
Inflammatory Myofibroblastic Tumor Accompanied with a Developed Form of Behçet's Disease, Report of a Case ....... Ryu Sato, et al ... 115

Case of the Month
Usefulness of X-ray Examination for Diagnosis of the Extent of Limitis Plastica Type Gastric Cancer, Report of a Case ............................ Kouichiro Tsuka, et al ... 6
Radiographic and Endoscopic Findings in "Pre-limitis Plastica" Type of Gastric Cancer, Report of a Case ................ Kazunori Yokomine, et al ... 10
