

Stomach and Intestine

— *Japanese Journal* —

edited by: The Research Society for Early Gastric Cancer

Volume 6

June 1971

Number 7

CONTENTS

Special Articles : Intestinal Metaplasia

- Conception of Histogenesis of Gastric Carcinoma*Kyoichi Nakamura et al.*...849
- Intestinal Metaplasia
—its Radiological Diagnosis.....*Daizo Aoyama*...863
- Endoscopic Diagnosis of Intestinal Metaplasia
in the Gastric Mucosa*Izumi Yokoyama et al.*...869
- Enzyme Histochemistry of Intestinal Metaplasia
in the Stomach *Muneaki Abe et al.*...875
- Patterns of Intestinal Metaplasia of the Gastric Mucosa.....*Takahiro Yoshii*...881
- Patterns of Intestinal Metaplasia of the Gastric Mucosa.....*Takuzo Ishidate*...889

Case Reports

- A Case of Multiple Depressed Early Gastric Cancers
(Quadruple Cancers).....*Shin Yamazaki et al.*...897
- A Case of Early Gastric Cancer of Type IIc Coexisting
with a Small Adenomatous Polyp in its Center.....*Fumiaki Ikegami et al.*...905
- A Case of IIc+IIb Type Early Gastric Cancer.....*Seiichiro Kishi et al.*...911
- A Case of Local Sarcoid of the Stomach Coexisting
with Carcinoma of the Stomach*Nobutaka Sato et al.*...917

Research

- The Enzyme Histochemistry of Gastric Cancer in Man*Ooichiro Kobori*...927
