## Special Issue Pathophysiological role of the choroid in the retinal diseases

- 1826 Anatomy of choroid and its association with myopia ..... Takehiro Yamashita
- 1832 Usefulness of laser speckle flowgraphy in choroidal circulation research  
for macular diseases ..... Wataru Saito
- 1840 Choroidal change in uveitis ..... Mariko Egawa
- 1850 Relationship between choroid and age-related macular degeneration ..... Hideki Koizumi
- 1857 New clinical entity in CSC and AMD—Pachychoroid ..... Sotaro Ooto
- 1868 Choroidal lesions in diabetic eyes ..... Tomoaki Murakami
- 1874 OCT angiography findings of chroidal vessels ..... Taiji Hasegawa
- 1882 Structural analysis of choroid by binarization of optical coherence  
tomographic images ..... Takamasa Kinoshita

## Topic of the Month

- 1817 Choroid, tissue that can undergo a lot of change ..... Yoshinori Mitamura

## Japan Glaucoma Dojo

- 1890 Anti VEGF treatment for neovascular glaucoma ..... Mari Ueki et al

## Fluorescein Clinical Conference

- 1898 Polypoidal Choroidal Vasculopathy ..... Masaaki Saito

## Go for the Expert of Oculoplastic Surgery!

- 1904 External dacryocystorhinostomy ..... Hidenori Mito

## Clinical Studies and Articles

- 1913 A case of idiopathic choroidal neovascularization with  
onset during pregnancy and regression after delivery ..... Hiroyuki Suzuki et al
- 1919 A case of hemicentral retinal vein occlusion following  
peroral contraceptive drug ..... Maiko Hayashi et al
- 1925 A case of central retinal vein occlusion, branch retinal  
artery occlusion, and vitreous hemorrhage ..... Takako Okamoto et al
