

SPECIAL FEATURE

Innovation of Telenursing in the Home Health Care

Role of Telenursing in the Home Health Care Takayasu Kawaguchi, RN, PhD	104
The Continuing History of Telenursing and the Studies Keiko Toyomasu, RN, PHN, MSN	112
Device Development and Application Case in Telenursing Daichi Araki, RN, MS, Yoshihiro Asano, RN, PhD, and Takayasu Kawaguchi, RN, PhD	129
Efforts of Telenursing-Support of Patients with Chronic Disease Kaori Higano, RN, MSN, Taiga Shibayama, RN, PhD, Keiko Hayashi, RN, PhD, and Takayasu Kawaguchi, RN, PhD	136
Practice Use of the Cloud Base in the Telenursing System Takayasu Kawaguchi, RN, PhD, Keiko Toyomasu, RN, PHN, MSN, Naomi Nishiyama, CSW, CM, BA, and Takahiro Naito, PhD	145
Expectation of the Telenursing in the Home Health Care Keiko Hayashi, RN, PhD	152
Development of Informatics Education and Role of Nurses in Tele-nursing Takahiro Naito, PhD and Yoshihiro Asano, RN, PhD	159

RESEARCH NOTE

Full of Practical Tips for Doing Phenomenological Research : Reading <i>Phenomenological Nursing Research : Theory and Practice</i> Noriko Yamamoto-Mitani, RN, PhD	172
---	------------

REPORT

Proposal of a Treatment Algorithm for the So-called "Diaper Dermatitis" of the Elderly Yuichiro Tsunemi, MD, PhD, Ryoko Fukuda, MD, Akiko Deguchi, MD, and Makoto Kawashima, MD, PhD	180
---	------------

SERIES

An Introduction to Mixed Methods Research · 2 The Historical Development of Mixed Methods Research and Its Current State Hisako Kakai, PhD	190
Journal Watch : Learning through International Nursing Research · 2 The Challenges in RCT in Nursing Home Patients with Dementia Kana Satoh, RN, MS	200
To Show the Effect of Non-pharmacological Study Kayo Hirooka, RN, MSN	203
Studying Nursing Research at UCSF · 2 Life and Study in San Francisco Maki Saito, RN, CNM, MNS	206
