

## Key words index

### A

**AARF (atlantoaxial rotatory fixation)**, Remodeling therapy, Closed reduction·····1159

**Abductor pollicis brevis**, Carpal tunnel syndrome, Opponensplasty·····627

**Abductor strength**, Pelvic osteotomy, Greater trochanter·····1617

**Acetylcholine receptor**, Neuromuscular junction, Motor endplate·····485

**Achondroplasia**, RNA aptamer, iPS cell·····185

**Acute deltoid ligament injury**, Ultrasound, Surgical treatment·····979

**Acute lateral ligament injuries of the ankle**, Ultrasound, Initial treatment·····971

**Adjuvant chemotherapy**, Non-round cell soft tissue sarcoma, Adriamycin plus ifosfamide·····231

**adolescence**, Growth, Low energy availability (LEA)·····1521

**Adolescent idiopathic scoliosis**, Posterior spinal fusion, Outrigger frame·····119

**Adolescent idiopathic scoliosis**, Three-dimensional correction, Vertebral coplanar alignment·····127

**Adolescent idiopathic scoliosis**, Upper instrumented vertebra, Lowest instrumented vertebra·····111

**Adolescent scoliosis**, School scoliosis screening, 3D back scanner·····1439

**Adriamycin plus ifosfamide**, Non-round cell soft tissue sarcoma, Adjuvant chemotherapy·····231

**Adult spinal deformity**, Correction surgery, Complication·····157

**Adult spinal deformity**, Lateral lumbar interbody fusion, Intraoperative three-dimensional computed tomography image-guided navigation·····153

**Advanced soft tissue sarcoma**, Palliative care, Locomotive syndrome in cancer patients·····303

**Anatomical four-dimensional correction**, Scoliosis, Custom-made implants·····179

**Anemia**, Female athletes, Eating disorders·····1513

**Animal model**, Legg-Calvé-Perthes disease, Interleukin-6·····1281

**Ankle fracture**, Posterior malleolar fracture, Arthroscopy·····1013

**Ankle fractures**, Syndesmosis injuries, Surgical treatment·····995

**Anterior inferior iliac spine**, Avulsion fracture, Impingement·····1355

**Anterior interosseous nerve palsy**, Neuralgic amyotrophy, Posterior interosseous nerve palsy·····591

**Anterior subcutaneous transposition**, Cubital tunnel syndrome, Simple decompression·····649

**Anterior transfer of tibialis posterior tendon**, Drop foot, Common peroneal nerve palsy·····1081

**Antibiotic-loaded acrylic cement**, Cement beads, Periprosthetic joint infection·····69

**Apo-epiphyseopathy**, Repetitive load, Medical check-up·····1223

**Apophyseal avulsion fracture**, Pelvic, Apophysitis·····1253

**Apophysitis**, Osteochondrosis, Growth period·····1217

**Apophysitis**, Pelvic, Apophyseal avulsion fracture·····1253

**Apophysitis**, Ultrasonography, Epiphysitis·····1229

**Arthrolysis**, Stiff elbow, Arthroscopy·····413

**Arthroscopic augmentation**, Arthroscopic evaluation, Syndesmosis injury·····987

**Arthroscopic evaluation**, Syndesmosis injury, Arthroscopic augmentation·····987

**Arthroscopic surgery**, Arthroscopic treatment, Lateral epicondylitis·····373

**Arthroscopic surgery**, Pediatric lateral humeral condyle fractures, Minimally invasive surgery·····443

**Arthroscopic treatment**, Arthroscopic surgery, Lateral epicondylitis·····373

**Arthroscopy**, Coronoid fracture, Treatment·····431

**Arthroscopy**, Elbow, Basic technique·····355

**Arthroscopy**, Elbow, Radial head fracture·····437

**Arthroscopy**, Medial epicondylitis, Enthesopathy·····379

**Arthroscopy**, Osteochondritis dissecans, Capitellum·····403

**Arthroscopy**, Osteochondritis dissecans, Osteochondral grafting·····397

**Arthroscopy**, Posterior malleolar fracture, Ankle fracture·····1013

**Arthroscopy**, Shoulder, Baseballs·····1449

**Arthroscopy**, Stiff elbow, Arthrolysis·····413

**Artificial intelligence**, Osteoporosis, Screening·····1393

**Artificial nerve**, Collagen, Regeneration·····549

**Athlete**, NanoScope<sup>TM</sup>, Os trigonum·····207

**Athletes**, Elbow arthroscopic surgery, Indication·····365

**Athletic training**, Female athletes, Return to sport·····1561

**Atlantoaxial rotatory fixation (AARF)**, Remodeling therapy, Closed reduction·····1159

**Atlantoaxial subluxation**, Cranio-cervical instability, Occipitoatlantal hypermobility·····1149

**Atypical femoral fracture**, Atypical ulnar fracture, Bisphosphonate therapy·····1687

**Atypical ulnar fracture**, Bisphosphonate therapy, Atypical femoral fracture·····1687

**Augmented reality**, Transparent display, Face-to-face communication·····1585

**Avulsion fracture**, Anterior inferior iliac spine, Impingement·····1355

**Axonal degeneration**, Electrodiagnosis, Neurapraxia·····499

## B

- Baseballs**, Shoulder, Arthroscopy·····1449  
**Basic technique**, Arthroscopy, Elbow·····355  
**Basicervical fracture**, Intertrochanteric fracture, Late segmental collapse·····1063  
**Basilar impression**, Basilar invagination, Posterior reduction and fusion·····1133  
**Basilar invagination**, Basilar impression, Posterior reduction and fusion·····1133  
**Benefit**, Periacetabular osteotomy, Complication··1655  
**Biodesign**, Start-up, Innovation·····1369  
**Biosensing**, Wearable device, Sweat lactic acid····1399  
**Bisphosphonate therapy**, Atypical ulnar fracture, Atypical femoral fracture·····1687  
**Blount disease**, Deformity correction, External fixation·····1313  
**Blount disease**, Langenskiöld classification, Guided growth method·····1307  
**Boiogito**, Saireito, Yokukansan·····795  
**Bone mineral density**, Osteoarthritis, Insole·····81  
**Bone mineral density**, Teriparatide, Twice-weekly injections·····1191  
**Bone screw**, Precise bone processing apparatus, Three-dimensional·····1419  
**Brace**, Conservative treatment, Legg-Calvé-Perthes disease·····1285  
**Brachial plexus**, Thoracic outlet syndrome, Diagnosis·····671  
**Brachial plexus injury**, Free muscle transfer, Reconstruction·····581  
**Brachial plexus injury**, Intercostal nerve transfer, Partial ulnar nerve transfer·····563  
**Brachial plexus injury**, Nerve graft, Nerve transfer·····571  
**Bypassing fragmentation**, Rotational open wedge osteotomy, Containment theory·····1293

## C

- Capitellum**, Osteochondritis dissecans, Arthroscopy·····403  
**Capsulotomy first**, Femoroacetabular impingement, Peripheral compartment first technique··1707  
**Carbon ion therapy**, Proton therapy, Soft tissue sarcoma·····263  
**Career development**, Spine surgeon, Diversity····893  
**Career path**, Personnel interchange, Diversity····863  
**Carpal subluxation**, Smith fracture, Temporary transarticular fixation·····87  
**Carpal tunnel syndrome**, Abductor pollicis brevis, Opponensplasty·····627  
**Carpal tunnel syndrome**, Opponensplasty, Rerouted extensor pollicis brevis·····635  
**Carpal tunnel syndrome**, Splint therapy, Nerve gliding exercise·····619  
**Carpal tunnel syndrome**, Trigger finger, Heberden nodes·····775  
**Cement beads**, Antibiotic-loaded acrylic cement, Periprosthetic joint infection·····69

- Central nervous system**, Neuroplasticity, Neural network synaptic pruning·····725  
**Cerebral palsy**, Neuromuscular scoliosis, Muscular dystrophy·····143  
**Cervical kyphosis**, Surgery, Technique·····165  
**Cervical spinal cord injury**, Early surgery, Randomized trial·····819  
**Cervical spondylotic myelopathy**, Immune checkpoint inhibitor (ICI), Demyelinating polyneuropathy·····201  
**Chemotherapy**, Soft tissue sarcoma, Second-line··239  
**Chronic pain**, Orthopaedic surgery, Traditional Chinese medicine·····801  
**Clinical feature**, Spinal epidural abscess, Dialysis··829  
**Clinical training**, Orthopaedic surgeon, Oriental medicine·····809  
**Closed reduction**, Atlantoaxial rotatory fixation (AARF), Remodeling therapy·····1159  
**Collaboration**, Diversity, Patient reported outcome·····915  
**Collagen**, Artificial nerve, Regeneration·····549  
**Collagen/apatite orientation**, Osteocyte, Mechanosensing·····1055  
**Comminuted fracture**, Medial malleolus fracture, Mini plate·····1469  
**Common peroneal nerve palsy**, Drop foot, Anterior transfer of tibialis posterior tendon·····1081  
**Comorbidity**, Female athlete, Mental health·····1539  
**Complication**, Adult spinal deformity, Correction surgery·····157  
**Complication**, Periacetabular osteotomy, Benefit··1655  
**Comprehensive genomic profiling**, Sarcoma, Multiplex gene panel test·····247  
**Compression**, Entrapment neuropathy, Wrist·····665  
**Computer assisted**, Navigation, Pedicle screw·····173  
**Computer-assisted surgery**, Rotational acetabular osteotomy, Surgical navigation system·····1673  
**Computer simulation**, Osteoarthritis of elbow, Navigation·····421  
**Conditioning effect**, Intrinsic growth, Neuron·····473  
**Congenital muscular torticollis**, Torticollis, Sternocleidomastoid release·····1165  
**Conservative treatment**, Legg-Calvé-Perthes disease, Brace·····1285  
**Containment surgery**, Perthes disease, Salter innominate osteotomy·····1301  
**Containment theory**, Rotational open wedge osteotomy, Bypassing fragmentation·····1293  
**Coronoid fracture**, Arthroscopy, Treatment·····431  
**Correction loss**, Number of the distal screws, Distal radius fracture·····1203  
**Correction surgery**, Adult spinal deformity, Complication·····157  
**Cortical button**, Distal biceps tendon rupture, Two-incision technique·····97  
**Costal osteochondral rib graft**, Osteochondritis dissecans, Talus·····337  
**COVID-19**, Telemedicine, State of emergency·····57  
**COVID-19 pandemic**, Telemedicine, Studying

abroad.....17  
**Cranio-cervical instability**, Atlantoaxial subluxation, Occipitoatlantal hypermobility.....1149  
**Cranio-cervical junction**, Upper cervical spine, Instability.....1115  
**CT images**, 3 D printer, Spinal brace.....931  
**Cubital tunnel syndrome**, Anterior subcutaneous transposition, Simple decompression.....649  
**Cubital tunnel syndrome**, Epidemiology, Diagnosis.....643  
**Cubital tunnel syndrome**, Simultaneous, Tendon transfer.....657  
**Custom-made implants**, Scoliosis, Anatomical four-dimensional correction.....179

## D

**Darrach procedure**, Fractures of distal ulna, Fractures of distal radius.....1463  
**DDH (developmental dysplasia of the hip joint)**, Periacetabular osteotomy, Minimum invasive surgery.....1663  
**Deep vein thrombosis (DVT)/pulmonary embolism (PE)**, Enoxaparin, Edoxaban.....945  
**Deformity correction**, Blount disease, External fixation.....1313  
**Demyelinating polyneuropathy**, Immune checkpoint inhibitor (ICI), Cervical spondylotic myelopathy.....201  
**Developmental dysplasia of the hip**, Rotational acetabular osteotomy, Hip osteoarthritis.....1637  
**Developmental dysplasia of the hip joint (DDH)**, Periacetabular osteotomy, Minimum invasive surgery.....1663  
**Device**, Ulna shortening, Oblique osteotomy.....331  
**Diagnosis**, Cubital tunnel syndrome, Epidemiology.....643  
**Diagnosis**, Kienböck's disease, Osteotomy.....1265  
**Diagnosis**, Legg-Calvé-Perthes disease, MRI.....1275  
**Diagnosis**, Thoracic outlet syndrome, Brachial plexus.....671  
**Diagnostic criteria**, Nerve conduction study, Electrophysiological diagnosis.....611  
**Dialysis**, Spinal epidural abscess, Clinical feature.....829  
**Diastasis recti abdominis**, Pelvic floor dysfunction, Pelvic girdle pain.....1567  
**Diclofenac**, Hyaluronate, Osteoarthritis.....63  
**Diclofenac**, Osteoarthritis, Hyaluronic acid.....837, 1713  
**Digital communication tool**, Knowledge sharing, Eventomy.....1413  
**Distal biceps tendon rupture**, Two-incision technique, Cortical button.....97  
**Distal radius fracture**, Number of the distal screws, Correction loss.....1203  
**Distal radius fracture**, Osteoporosis, Fragility fracture.....1591  
**Diverse career opportunities**, Medical education, EPOC.....879  
**Diversity**, Collaboration, Patient reported outcome.....915

**Diversity**, Emergency medicine, Orthopaedics.....923  
**Diversity**, Personnel interchange, Career path.....863  
**Diversity**, Spine surgeon, Career development.....893  
**Diversity**, Unpaid work, Gender equality.....909  
**Diversity**, Women's career, Education.....889  
**Donor**, Nerve graft, Indication.....557  
**Drop foot**, Anterior transfer of tibialis posterior tendon, Common peroneal nerve palsy.....1081  
**Dumbbell-shaped tumor**, Posterior approach, Intramedullary tumor.....1171  
**DVT (deep vein thrombosis)/PE (pulmonary embolism)**, Enoxaparin, Edoxaban.....945

## E

**Early onset scoliosis**, Surgery, Growth friendly surgery.....135  
**Early surgery**, Cervical spinal cord injury, Randomized trial.....819  
**Eating disorders**, Female athletes, Anemia.....1513  
**Eccentric rotational acetabular osteotomy**, Osteoarthritis of the hip, Surgical technique.....1647  
**Edoxaban**, Deep vein thrombosis (DVT)/pulmonary embolism (PE), Enoxaparin.....945  
**Education**, Diversity, Women's career.....889  
**Education program**, General incorporated association, Sports medicine.....1429  
**Elbow**, Arthroscopy, Basic technique.....355  
**Elbow**, Arthroscopy, Radial head fracture.....437  
**Elbow**, Lateral condyle, Epiphysis.....1259  
**Elbow arthroscopic surgery**, Indication, Athletes.....365  
**Elbow arthroscopy**, Posterior elbow impingement, Osteophyte on the posterior olecranon.....385  
**Elderly**, Odontoid fracture, Treatment strategy.....1107  
**Elderly patient**, Mangled foot, Open fracture.....1351  
**Elderly patients**, Soft tissue sarcoma, Geriatric assessment.....279  
**Electrodiagnosis**, Axonal degeneration, Neurapraxia.....499  
**Electrodiagnosis**, Entrapment neuropathy, Myotome.....531  
**Electrophysiological diagnosis**, Nerve conduction study, Diagnostic criteria.....611  
**Emergency medicine**, Orthopaedics, Diversity.....923  
**Endoscopic assisted transaxillary approach**, First rib resection, Scaleneotomy.....679  
**Endoscopic microsurgery**, Robotic microsurgery, Haptic feedback.....707  
**Endoscopic surgery**, Recurrent peroneal tendon dislocation, Ultrasonography.....1037  
**Endoscopic surgery**, Tarsal tunnel syndrome, Entrapment neuropathy.....699  
**Enoxaparin**, Deep vein thrombosis (DVT)/pulmonary embolism (PE), Edoxaban.....945  
**Enthesopathy**, Medial epicondylitis, Arthroscopy.....379  
**Entrapment neuropathy**, Compression, Wrist.....665  
**Entrapment neuropathy**, Myotome, Electrodiagnosis.....531  
**Entrapment neuropathy**, Polyneuropathy, Multiple mononeuropathy.....521

**Entrapment neuropathy**, Tarsal tunnel syndrome, Endoscopic surgery·····699  
**Entrapment neuropathy**, Ultrasonography, Nerve injury·····509  
**Entrapment syndrome**, Neuropathic pain, Nociplastic pain·····691  
**Epidemiology**, Cubital tunnel syndrome, Diagnosis·····643  
**Epineural suture**, Misdirection, Funicular suture·····541  
**Epiphysis**, Lateral condyle, Elbow·····1259  
**Epiphysitis**, Ultrasonography, Apophysitis·····1229  
**EPOC**, Medical education, Diverse career opportunities·····879  
**Ergometer**, Osteoarthritis, Finger floor distance·····457  
**Eventomy**, Digital communication tool, Knowledge sharing·····1413  
**Evidence**, Telemedicine, Telepsychiatry·····41  
**Exoscope**, Microsurgery, Heads up surgery·····1179  
**Expression quantitative trait loci**, Functional genomics, Genetic polymorphisms·····321  
**External fixation**, Blount disease, Deformity correction·····1313  
**Extracorporeal shock wave therapy**, Osteochondrosis, Osteochondritis dissecans·····1241

## F

**Face-to-face communication**, Transparent display, Augmented reality·····1585  
**FDS (flexor digitorum superficialis)**, Zone IV, Three dimensional CT (3D-CT)·····1595  
**Female athlete triad**, Relative energy deficiency in sport (RED-S), Menstrual disorder·····1503  
**Female athlete**, Mental health, Comorbidity·····1539  
**Female athlete**, Sports injury, Injury prevention·····1495  
**Female athletes**, Anemia, Eating disorders·····1513  
**Female athletes**, Athletic training, Return to sport·····1561  
**Female orthopaedic surgeons**, Orthopaedic sports medicine, Subspecialty in orthopaedics·····901  
**Female para-athletes**, Women's health, Life planning·····1529  
**Femoral neck fracture**, Nonunion, Time of diagnosis·····197  
**Femoral nerve block**, Total knee arthroplasty, Multimodal cocktail periarticular injection·····327  
**Femoral trochanteric fracture**, Lumbar spinal anesthesia, Ultrasound-guided femoral nerve block·····937  
**Femoroacetabular impingement**, Peripheral compartment first technique, Capsulotomy first·····1707  
**Finger floor distance**, Osteoarthritis, Ergometer·····457  
**First rib resection**, Endoscopic assisted transaxillary approach, Scalenectomy·····679  
**Fitbit**, Wearable devices, Rehabilitation·····23  
**Flexor digitorum superficialis (FDS)**, Zone IV, Three dimensional CT (3D-CT)·····1595  
**Floating shoulder**, Scapular fracture, Operative indication·····1197  
**Fluoroscopy**, Radiation exposure, Orthopaedic sur-

gery·····77  
**Fracture**, Ligament injury, Rehabilitation·····1043  
**Fracture**, Osteochondral lesion, Talus·····1031  
**Fractures of distal radius**, Fractures of distal ulna, Darrach procedure·····1463  
**Fractures of distal ulna**, Fractures of distal radius, Darrach procedure·····1463  
**Fragility fracture**, Distal radius fracture, Osteoporosis·····1591  
**Free muscle transfer**, Brachial plexus injury, Reconstruction·····581  
**Freiberg infraction**, Köhler disease, Sever disease·····1327  
**Functional genomics**, Genetic polymorphisms, Expression quantitative trait loci·····321  
**Funicular suture**, Misdirection, Epineural suture·····541

## G

**Gender diversity**, Orthopaedic surgery, Gender equality·····857  
**Gender equality**, Gender diversity, Orthopaedic surgery·····857  
**Gender equality**, Diversity, Unpaid work·····909  
**Gender stereotype**, Unconscious bias, Women's career development·····869  
**General incorporated association**, Sports medicine, Education program·····1429  
**Genetic polymorphisms**, Functional genomics, Expression quantitative trait loci·····321  
**Genome-wide association study (GWAS)**, Steroid-associated osteonecrosis of the femoral head (S-ONFH), Susceptibility gene·····1335  
**Geriatric assessment**, Soft tissue sarcoma, Elderly patients·····279  
**Greater trochanter**, Pelvic osteotomy, Abductor strength·····1617  
**Growth**, adolescence, Low energy availability (LEA)·····1521  
**Growth friendly surgery**, Early onset scoliosis, Surgery·····135  
**Growth period**, Osteochondrosis, Apophysitis·····1217  
**Guided growth method**, Blount disease, Langenskiöld classification·····1307  
**GWAS (genome-wide association study)**, Steroid-associated osteonecrosis of the femoral head (S-ONFH), Susceptibility gene·····1335

## H

**Hangman's fracture**, Occipitocervical dislocation, Odontoid fracture·····1097  
**Haptic feedback**, Robotic microsurgery, Endoscopic microsurgery·····707  
**Heads up surgery**, Exoscope, Microsurgery·····1179  
**Heberden nodes**, Trigger finger, Carpal tunnel syndrome·····775  
**Hemoglobin**, Transfusion, Proximal femoral fracture·····1069  
**High grade spondylolisthesis**, Transdiscal screw, *In situ* fusion·····957

**High tibial osteotomy**, Knee osteoarthritis, Tibial condylar valgus osteotomy·····1695  
**Hip fracture**, Locomotive syndrome, Locomo 25·····191  
**Hip osteoarthritis**, Rotational acetabular osteotomy, Developmental dysplasia of the hip·····1637  
**History**, Periacetabular osteotomy, Japan·····1609  
**History**, Rotational acetabular osteotomy, The University of Tokyo·····1625  
**Hyaluronate**, Diclofenac, Osteoarthritis·····63  
**Hyaluronic acid**, Osteoarthritis, Diclofenac·····837, 1713  
**Hydro-release**, Pes anserinus, Osteoarthritis of the knee·····1347

## I

**ICI (immune checkpoint inhibitor)**, Cervical spondylotic myelopathy, Demyelinating polyneuropathy·····201  
**Immune checkpoint inhibitor (ICI)**, Cervical spondylotic myelopathy, Demyelinating polyneuropathy·····201  
**Impingement**, Anterior inferior iliac spine, Avulsion fracture·····1355  
**Implant**, Osteoarthritis, Knee·····1387  
**In situ fusion**, High grade spondylolisthesis, Transdiscal screw·····957  
**Indication**, Elbow arthroscopic surgery, Athletes·····365  
**Indication**, Nerve graft, Donor·····557  
**Industry-government-academia collaboration**, Translational research, Start-up support·····1377  
**Infiltrative soft tissue sarcoma**, Myxofibrosarcoma, Undifferentiated pleomorphic sarcoma·····295  
**Initial treatment**, Acute lateral ligament injuries of the ankle, Ultrasound·····971  
**Injury prevention**, Female athlete, Sports injury·····1495  
**Innovation**, Start-up, Biodesign·····1369  
**Insole**, Osteoarthritis, Bone mineral density·····81  
**Instability**, Craniocervical junction, Upper cervical spine·····1115  
**Intercostal nerve transfer**, Brachial plexus injury, Partial ulnar nerve transfer·····563  
**Interfascicular neurolysis**, Spontaneous anterior interosseous nerve palsy, Spontaneous posterior interosseous nerve palsy·····605  
**Interleukin-6**, Legg-Calvé-Perthes disease, Animal model·····1281  
**Intermediate soft tissue tumors**, Treatment, Surgery·····271  
**Internal fixation**, Trochanteric femoral fracture, Posterolateral fragment·····1341  
**Internal load**, Ovarian hormone, Recovery·····1555  
**Intertrochanteric fracture**, Basicervical fracture, Late segmental collapse·····1063  
**Intra-spinal canal treatment (ISCT)**, Transsacral canal plasty (TSCP), Minimally invasive spinal treatment (MIST)·····1681  
**Intramedullary tumor**, Dumbbell-shaped tumor, Posterior approach·····1171  
**Intraoperative three-dimensional computed tomography image-guided navigation**, Adult

spinal deformity, Lateral lumbar interbody fusion·····153  
**Intrinsic growth**, Conditioning effect, Neuron·····473  
**iPS cell**, RNA aptamer, Achondroplasia·····185  
**iPS cell**, Schwann cell, Macrophage·····479  
**ISCT (intra-spinal canal treatment)**, Transsacral canal plasty (TSCP), Minimally invasive spinal treatment (MIST)·····1681

## J

**Japan**, Periacetabular osteotomy, History·····1609  
**Japanese Kampo medicine**, Spine surgeon, Oriental medicine·····781  
**Japanese telemedicine**, Video consultation, Primary care·····49

## K

**Kampo**, Orthopaedics, Mao and Bushi·····747  
**Kampo**, Orthopaedics, Oriental medicine·····755  
**Kampo**, Pain, Orthopaedics·····763  
**Kampo**, Traditional medicine, Orthopaedic surgery·····739  
**Kampo medicine**, Orthopaedic surgery, Orthopaedic outpatient·····785  
**Kienböck's disease**, Diagnosis, Osteotomy·····1265  
**Knee**, Osteoarthritis, Implant·····1387  
**Knee osteoarthritis**, High tibial osteotomy, Tibial condylar valgus osteotomy·····1695  
**Knowledge sharing**, Digital communication tool, Eventomy·····1413  
**Köhler disease**, Freiberg infraction, Sever disease·····1327  
**Kyphosis**, Scheuermann, Surgical treatment·····1249

## L

**Langenskiöld classification**, Blount disease, Guided growth method·····1307  
**Late segmental collapse**, Basicervical fracture, Intertrochanteric fracture·····1063  
**Lateral condyle**, Elbow, Epiphysis·····1259  
**Lateral epicondylitis**, Arthroscopic surgery, Arthroscopic treatment·····373  
**Lateral lumbar interbody fusion**, Adult spinal deformity, Intraoperative three-dimensional computed tomography image-guided navigation·····153  
**LEA (low energy availability)**, Growth, adolescence·····1521  
**Legg-Calvé-Perthes disease**, Animal model, Interleukin-6·····1281  
**Legg-Calvé-Perthes disease**, Conservative treatment, Brace·····1285  
**Legg-Calvé-Perthes disease**, Diagnosis, MRI·····1275  
**Leiomyosarcoma**, Retroperitoneal sarcoma, Liposarcoma·····289  
**Life planning**, Female para-athletes, Women's health·····1529  
**Ligament injury**, Fracture, Rehabilitation·····1043  
**Limited range of motion**, Proximal phalanx fracture, Wire fixation·····1701

**Liposarcoma**, Retroperitoneal sarcoma, Leiomyosarcoma·····289  
**Locomo 25**, Hip fracture, Locomotive syndrome·····191  
**Locomotive syndrome in cancer patients**, Palliative care, Advanced soft tissue sarcoma·····303  
**Locomotive syndrome**, Hip fracture, Locomo 25·····191  
**Long term results**, Rotational acetabular osteotomy, Trochanterotomy·····1631  
**Low energy availability**, Relative energy deficiency in sport, Nutritional education·····1547  
**Low energy availability (LEA)**, Growth, adolescence·····1521  
**Lowest instrumented vertebra**, Adolescent idiopathic scoliosis, Upper instrumented vertebra·····111  
**Lumbar spinal anesthesia**, Femoral trochanteric fracture, Ultrasound-guided femoral nerve block·····937  
**Lumbosacral vertebrae**, Pedicle screw, Magnetic resonance imaging·····1185

## M

**Macrophage**, Schwann cell, iPS cell·····479  
**Magnetic resonance imaging**, Lumbosacral vertebrae, Pedicle screw·····1185  
**Malleolar fracture**, Plate, Screw·····1005  
**Mangled foot**, Elderly patient, Open fracture·····1351  
**Manual muscle testing**, Physical findings, Sensory··491  
**Mao and Bushi**, Kampo, Orthopaedics·····747  
**Mechanosensing**, Collagen/apatite orientation, Osteocyte·····1055  
**Medial epicondylitis**, Arthroscopy, Enthesopathy··379  
**Medial malleolus fracture**, Comminuted fracture, Mini plate·····1469  
**Medical check-up**, Apo-epiphysopathy, Repetitive load·····1223  
**Medical education**, EPOC, Diverse career opportunities·····879  
**Medical engineering research**, Standing wheelchair, Spinal cord injury·····1407  
**Medical fee revision**, Telemedicine, Regulation·····33  
**Menstrual disorder**, Female athlete triad, Relative energy deficiency in sport (RED-S)·····1503  
**Mental health**, Female athlete, Comorbidity·····1539  
**Microsurgery**, Exoscope, Heads up surgery·····1179  
**Mini plate**, Medial malleolus fracture, Comminuted fracture·····1469  
**Minimally invasive spinal treatment (MIST)**, Trans-sacral canal plasty (TSCP), Intra-spinal canal treatment (ISCT)·····1681  
**Minimally invasive surgery**, Pediatric lateral humeral condyle fractures, Arthroscopic surgery·····443  
**Minimum invasive surgery**, Developmental dysplasia of the hip joint (DDH), Periacetabular osteotomy·····1663  
**Misdirection**, Epineural suture, Funicular suture··541  
**MIST (minimally invasive spinal treatment)**, Trans-sacral canal plasty (TSCP), Intra-spinal canal treatment (ISCT)·····1681

**Motor endplate**, Neuromuscular junction, Acetylcholine receptor·····485  
**MRI**, Legg-Calvé-Perthes disease, Diagnosis·····1275  
**Multidisciplinary approach**, Patient-reported outcome measures (PROMs), Screening·····7  
**Multidisciplinary care**, Neuropathic pain, Plasticity·····715  
**Multidisciplinary treatment**, Soft tissue sarcoma, Wide resection·····219  
**Multimodal cocktail periarticular injection**, Total knee arthroplasty, Femoral nerve block·····327  
**Multiple mononeuropathy**, Polyneuropathy, Entrapment neuropathy·····521  
**Multiple vertebral fractures**, Pregnancy, Osteoporosis·····843  
**Multiplex gene panel test**, Comprehensive genomic profiling, Sarcoma·····247  
**Muscle strain**, Total proximal hamstring tendon, Sports injury·····1075  
**Muscular dystrophy**, Neuromuscular scoliosis, Cerebral palsy·····143  
**Myotome**, Entrapment neuropathy, Electrodagnosis·····531  
**Myxofibrosarcoma**, Infiltrative soft tissue sarcoma, Undifferentiated pleomorphic sarcoma·····295

## N

**NanoScope™**, Os trigonum, Athlete·····207  
**Navigation**, Osteoarthritis of elbow, Computer simulation·····421  
**Navigation**, Pedicle screw, Computer assisted·····173  
**Navigation**, UKA, Surgery·····463  
**Nerve conduction study**, Electrophysiological diagnosis, Diagnostic criteria·····611  
**Nerve gliding exercise**, Carpal tunnel syndrome, Splint therapy·····619  
**Nerve graft**, Brachial plexus injury, Nerve transfer·····571  
**Nerve graft**, Donor, Indication·····557  
**Nerve injury**, Ultrasonography, Entrapment neuropathy·····509  
**Nerve transfer**, Brachial plexus injury, Nerve graft·····571  
**Neural network synaptic pruning**, Neuroplasticity, Central nervous system·····725  
**Neuralgic amyotrophy**, Anterior interosseous nerve palsy, Posterior interosseous nerve palsy··591  
**Neurapraxia**, Axonal degeneration, Electrodagnosis·····499  
**Neuromuscular junction**, Acetylcholine receptor, Motor endplate·····485  
**Neuromuscular scoliosis**, Cerebral palsy, Muscular dystrophy·····143  
**Neuron**, Intrinsic growth, Conditioning effect·····473  
**Neuropathic pain**, Entrapment syndrome, Nociplastic pain·····691  
**Neuropathic pain**, Plasticity, Multidisciplinary care·····715  
**Neuroplasticity**, Central nervous system, Neural

network synaptic pruning.....725  
**Nociplastic pain**, Neuropathic pain, Entrapment syndrome.....691  
**Non-ossifying fibroma**, Pathological fracture, Osteosynthesis.....1475  
**Non-round cell soft tissue sarcoma**, Adjuvant chemotherapy, Adriamycin plus ifosfamide.....231  
**Nonunion**, Femoral neck fracture, Time of diagnosis.....197  
**Novel treatment for soft tissue sarcoma**, Patient derived orthotopic xenograft (PDOX), Precision medicine.....311  
**Number of the distal screws**, Correction loss, Distal radius fracture.....1203  
**Nutritional education**, Relative energy deficiency in sport, Low energy availability.....1547

## O

**Oblique osteotomy**, Ulna shortening, Device.....331  
**OC • LEP**, VTE, Surgery.....1575  
**Occipitoatlantal hypermobility**, Cranio-cervical instability, Atlantoaxial subluxation.....1149  
**Occipitocervical dislocation**, Odontoid fracture, Hangman's fracture.....1097  
**Odontoid fracture**, Occipitocervical dislocation, Hangman's fracture.....1097  
**Odontoid fracture**, Treatment strategy, Elderly.....1107  
**Open fracture**, Elderly patient, Mangled foot.....1351  
**Operation**, Urinary tract infection, Proximal femoral fracture.....1459  
**Operative indication**, Scapular fracture, Floating shoulder.....1197  
**OPLL (ossification of posterior longitudinal ligament)**, Upper cervical spine, Treatment.....1141  
**Opponensplasty**, Carpal tunnel syndrome, Abductor pollicis brevis.....627  
**Opponensplasty**, Carpal tunnel syndrome, Rerouted extensor pollicis brevis.....635  
**Oriental medicine**, Kampo, Orthopaedics.....755  
**Oriental medicine**, Orthopaedic surgeon, Clinical training.....809  
**Oriental medicine**, Spine surgeon, Japanese Kampo medicine.....781  
**Orthopaedic outpatient**, Orthopaedic surgery, Kampo medicine.....785  
**Orthopaedic sports medicine**, Subspecialty in orthopaedics, Female orthopaedic surgeons.....901  
**Orthopaedic surgeon**, Oriental medicine, Clinical training.....809  
**Orthopaedic surgery**, Gender diversity, Gender equality.....857  
**Orthopaedic surgery**, Kampo, Traditional medicine.....739  
**Orthopaedic surgery**, Orthopaedic outpatient, Kampo medicine.....785  
**Orthopaedic surgery**, Radiation exposure, Fluoroscopy.....77  
**Orthopaedics**, Emergency medicine, Diversity.....923  
**Orthopaedics**, Kampo, Mao and Bushi.....747

**Orthopaedics**, Kampo, Oriental medicine.....755  
**Orthopaedics**, Kampo, Pain.....763  
**Orthopaedic surgery**, Traditional Chinese medicine, Chronic pain.....801  
**Os trigonum**, NanoScope™, Athlete.....207  
**Osgood-Schlatter disease**, Sinding-Larsen-Johansson disease, Osteochondrosis.....1321  
**Ossification of posterior longitudinal ligament (OPLL)**, Upper cervical spine, Treatment.....1141  
**Osteoarthritis**, Bone mineral density, Insole.....81  
**Osteoarthritis**, Diclofenac, Hyaluronic acid.....837, 1713  
**Osteoarthritis**, Ergometer, Finger floor distance.....457  
**Osteoarthritis**, Hyaluronate, Diclofenac.....63  
**Osteoarthritis**, Knee, Implant.....1387  
**Osteoarthritis of elbow**, Computer simulation, Navigation.....421  
**Osteoarthritis of the hip**, Eccentric rotational acetabular osteotomy, Surgical technique.....1647  
**Osteoarthritis of the knee**, Hydro-release, Pes anserinus.....1347  
**Osteochondral grafting**, Osteochondritis dissecans, Arthroscopy.....397  
**Osteochondral lesion**, Talus, Fracture.....1031  
**Osteochondritis dissecans**, Arthroscopy, Capitulum.....403  
**Osteochondritis dissecans**, Arthroscopy, Osteochondral grafting.....397  
**Osteochondritis dissecans**, Costal osteochondral rib graft, Talus.....337  
**Osteochondritis dissecans**, Extracorporeal shock wave therapy, Osteochondrosis.....1241  
**Osteochondrosis**, Apophysitis, Growth period.....1217  
**Osteochondrosis**, Extracorporeal shock wave therapy, Osteochondritis dissecans.....1241  
**Osteochondrosis**, Osgood-Schlatter disease, Sinding-Larsen-Johansson disease.....1321  
**Osteocyte**, Collagen/apatite orientation, Mechanosensing.....1055  
**Osteophyte on the posterior olecranon**, Elbow arthroscopy, Posterior elbow impingement.....385  
**Osteoporosis**, Artificial intelligence, Screening.....1393  
**Osteoporosis**, Distal radius fracture, Fragility fracture.....1591  
**Osteoporosis**, Pregnancy, Multiple vertebral fractures.....843  
**Osteoporosis**, Vertebral fracture, Thoracic kyphosis.....825  
**Osteosynthesis**, Non-ossifying fibroma, Pathological fracture.....1475  
**Osteotomy**, Kienböck's disease, Diagnosis.....1265  
**Outrigger frame**, Adolescent idiopathic scoliosis, Posterior spinal fusion.....119  
**Ovarian hormone**, Internal load, Recovery.....1555

## P

**Pain**, Kampo, Orthopaedics.....763  
**Palliative care**, Advanced soft tissue sarcoma, Locomotive syndrome in cancer patients.....303  
**Partial ulnar nerve transfer**, Brachial plexus

## U

- UKA**, Navigation, Surgery.....463  
**Ulna shortening**, Oblique osteotomy, Device.....331  
**Ultrasonography**, Apophysitis, Epiphysitis.....1229  
**Ultrasonography**, Entrapment neuropathy, Nerve injury.....509  
**Ultrasonography**, Recurrent peroneal tendon dislocation, Endoscopic surgery.....1037  
**Ultrasound**, Acute deltoid ligament injury, Surgical treatment.....979  
**Ultrasound**, Acute lateral ligament injuries of the ankle, Initial treatment.....971  
**Ultrasound-guided femoral nerve block**, Femoral trochanteric fracture, Lumbar spinal anesthesia.....937  
**Unconscious bias**, Gender stereotype, Women's career development.....869  
**Undifferentiated pleomorphic sarcoma**, Infiltrative soft tissue sarcoma, Myxofibrosarcoma.....295  
**Unpaid work**, Diversity, Gender equality.....909  
**Upper cervical spine**, Craniocervical junction, Instability.....1115  
**Upper cervical spine**, Ossification of posterior longitudinal ligament (OPLL), Treatment.....1141  
**Upper instrumented vertebra**, Adolescent idiopathic scoliosis, Lowest instrumented vertebra.....111  
**Urinary tract infection**, Proximal femoral fracture, Operation.....1459

## V

- Vertebral coplanar alignment**, Adolescent idio-

- pathic scoliosis, Three-dimensional correction.....127  
**Vertebral fracture**, Thoracic kyphosis, Osteoporosis.....825  
**Video consultation**, Japanese telemedicine, Primary care.....49  
**VTE**, OC · LEP, Surgery.....1575

## W

- Wearable device**, Biosensing, Sweat lactic acid.....1399  
**Wearable devices**, Fitbit, Rehabilitation.....23  
**Weight reduction strategy**, Training for female athletes, Periodization.....1489  
**Wide resection**, Soft tissue sarcoma, Multidisciplinary treatment.....219  
**Wilson disease**, Pathological vertebral fracture, Teriparatide.....93  
**Wire fixation**, Proximal phalanx fracture, Limited range of motion.....1701  
**Women's career**, Diversity, Education.....889  
**Women's career development**, Unconscious bias, Gender stereotype.....869  
**Women's health**, Female para-athletes, Life planning.....1529  
**Wrist**, Compression, Entrapment neuropathy.....665

## Y

- Yokukansan**, Boiogito, Saireito.....795

## Z

- Zone IV**, Flexor digitorum superficialis (FDS), Three dimensional CT (3D-CT).....1595
