

Key words index

A

- Abaloparatide**, Osteoporosis, Motorised injector···1287
- Abscopal effect**, Metastatic bone tumor, Cryotherapy···1565
- Achondroplasia**, FGFR3, Vosoritide···373
- Acute traumatic patellar dislocation**, Scoring system, Conservative treatment···19
- Adolescent and young adult**, Metaverse, Virtual reality···1245
- Adverse childhood experience**, Child abuse, Corporal punishment···135
- Aeromedical evacuation**, 2024 Noto Peninsula Earthquake, Orthopaedic trauma···1519
- AI**, Cervical Myelopathy, Hand···1227
- AI (artificial intelligence)**, Orthopaedic trauma, Fracture···477
- Ambulatory function**, Spinal metastasis, Surgery··1281
- Amyotrophic lateral sclerosis**, Parkinson's disease, ATTRv amyloidosis···407
- Anabolic drug**, Antiresorptive drug, Fracture risk···557
- Anatomy**, Rotator cuff, Capsule···1001
- Ankle fracture**, Posterior malleolar fracture, Open reduction···1099
- Ankle fracture**, Tibiotalocalcaneal arthrodesis, Retrograde intramedullary nail···665
- Ankle joint supination sprain**, Anterior inferior tibiofibular ligament injury, Insole therapy···213
- Ankle malleolus fracture**, Mechanism of injury, Classification···1093
- Ankle osteoarthritis**, Arthroscopic ankle arthrodesis, Open ankle arthrodesis···265
- Ankle osteoarthritis**, Distal tibial oblique osteotomy, Bone graft···249
- Ankle osteoarthritis**, Distal tibial oblique osteotomy, Distal tibial intra-articular osteotomy···257
- Ankle osteoarthritis**, Epidemiology, Pathogenesis··225
- Ankle osteoarthritis**, Low tibial osteotomy (LTO), Joint preserving surgery···241
- Ankle osteoarthritis**, Total ankle arthroplasty, Lateral transfibular approach···273
- Ankylosing spondylitis**, Axial spondyloarthritis, Non-radiographic axial spondyloarthritis···1331
- Ankylosing spondylitis**, Axial spondyloarthritis, Diagnosis···1317
- Ankylosing spondylitis**, Spondyloarthritis, Non-radiographic axial spondyloarthritis···1311
- Anterior inferior tibiofibular ligament injury**, Insole therapy, Ankle joint supination sprain···213
- Anteromedial approach**, Coronoid fracture, Intenervous plane···989
- Anti-fracture effects**, Osteoporosis, Bone resorption and formation···343
- Anti-resorptive agent**, Atypical femoral fracture, Femoral bowing···649
- Antiresorptive drug**, Anabolic drug, Fracture risk···557
- Application development by pharmacists**, Digital transformation, Site-driven DX by pharmacists··1149
- Arthritis risk factor**, Psoriatic arthritis, Psoriasis vulgaris···1337
- Arthrodesis**, Thumb carpometacarpal osteoarthritis, Elderly patient···1459
- Arthroplasty**, Pathological fractures, Proximal femur···635
- Arthroplasty**, Thumb carpometacarpal joint, Osteoarthritis···1467
- Arthroscopic ankle arthrodesis**, Open ankle arthrodesis, Ankle osteoarthritis···265
- Arthroscopic rotator cuff advancement**, Coordination movement, Low-load rotator cuff exercise···1075
- Arthroscopic rotator cuff muscle advancement**, Arthroscopic rotator cuff repair, Rotator cuff tear···1007
- Arthroscopic rotator cuff repair**, Arthroscopic rotator cuff muscle advancement, Rotator cuff tear···1007
- Arthroscopic rotator cuff repair**, Massive rotator cuff tear, Augmentation···1029
- Arthroscopic rotator cuff repair**, Massive rotator cuff tears, Biceps rerouting technique···1067
- Arthroscopic rotator cuff repair**, Rotator cuff tear, Medialization···1037
- Arthroscopy**, Subscapularis, Suture bridge technique···1057
- Articular surface reduction**, Staged treatment, Plate fixation···541
- Artificial intelligence**, Myoelectric hands, Targeted muscle reinnervation···1211
- Artificial intelligence (AI)**, Orthopaedic trauma, Fracture···477
- Artificial ligament**, Medial patellofemoral ligament, Lateral patella instability···33
- Association**, IMRAD, Causality···439
- ASULOCK®**, Femoral trochanteric fractures, Sliding and rotation···317
- Atlas fracture**, Sumo wrestler, Neck muscle strength···189
- Attendance management**, Digital transformation (DX), iOS Journal features···1175
- ATTRv amyloidosis**, Parkinson's disease, Amyotrophic lateral sclerosis···407
- Atypical femoral fracture**, Anti-resorptive agent, Femoral bowing···649
- Augmentation**, Massive rotator cuff tear, Arthroscopic rotator cuff repair···1029

Autologous fascia lata graft, Superior capsule reconstruction, Rotator cuff tear·····1047
Automation, DX, Microsoft 365·····1167
Avascular necrosis of humeral head, Commi-nuted proximal humeral fracture, Hokudai clas-sification·····891
Axial SpA, Spondyloarthritis (SpA), Peripheral SpA·····359
Axial spondyloarthritis, Ankylosing spondylitis, Diagnosis·····1317
Axial spondyloarthritis, Ankylosing spondylitis, Non-radiographic axial spondyloarthritis·····1331

B

Biceps rerouting technique, Massive rotator cuff tears, Arthroscopic rotator cuff repair·····1067
Biomechanics, Upright CT, 3 D-3 D registration·····305
Bipolar hip arthroplasty, Bone cement, Surgical technique·····627
Bisphosphonates, Osteogenesis imperfecta, Gene therapy·····365
Body Mass Index, Cervical spine, X ray·····1575
Bone cement, Bipolar hip arthroplasty, Surgical technique·····627
Bone cement, Induced membrane technique, Indigo carmine·····689
Bone graft, Ankle osteoarthritis, Distal tibial oblique osteotomy·····249
Bone metastases, Radiation therapy, Palliative therapy·····829
Bone metastasis, Cancer board, Multidisciplinary treatment·····835
Bone metastasis, Locomotive syndrome in cancer patients, Quality of death/dying·····797
Bone metastasis, Multidisciplinary management, Spinal surgery·····767
Bone metastasis, Prognosis, Immune checkpoint inhibitor·····851
Bone metastasis, Transcatheter arterial emboliza-tion, Radiofrequency ablation·····821
Bone metastasis, Tumor marker, Prophylactic intramedullary nailing·····861
Bone mineral density, Exercise, Osteoporosis·····1263
Bone mineral density, Romosozumab, Bone turn-over marker·····763
Bone mineral density, Teriparatide, Twice-weekly injections·····419
Bone morphogenetic protein, Heterotopic ossifica-tion, Receptor·····379
Bone resorption and formation, Osteoporosis, Anti-fracture effects·····343
Bone turnover marker, Romosozumab, Bone min-eral density·····763
Bone union, Fresh lumbar spondylolysis, Physical function·····199
Borderline dysplasia, Ultrasonography, Obturator externus muscle·····1389
Bouchard node, Silicone implant arthroplasty, Dor-sal approach·····1441

C

Cancer board, Bone metastasis, Multidisciplinary treatment·····835
Cancer-osteoporosis, Orthopaedic, CTIBL·····843
Capsule, Anatomy, Rotator cuff·····1001
Carpal tunnel syndrome, Elderly, Hand disorders·····1405
Carpal tunnel syndrome, Triamcinolone, Estrogen·····1411
Cartilage repair, Patellofemoral instability, Osteo-chondral fracture·····53
CAS (computer-assisted surgery), Robotic-assisted surgery (RAS), Total knee arthroplasty (TKA)·····1195
Causality, IMRAD, Association·····439
CD34-positive cell, Nonunion, Regeneration·····681
Cervical multifidus muscle, Ultrasonography, Semispinalis cervicis muscle·····207
Cervical Myelopathy, Hand, AI·····1227
Cervical spine, X ray, Body Mass Index·····1575
Characteristics, Third hip fracture, Second hip fracture·····773
Child abuse, Child maltreatment, Child Protection Team·····119
Child abuse, Corporal punishment, Adverse child-hood experience·····135
Child abuse, Fracture, Epiphyseal injury·····159
Child abuse, Fracture, Skeletal screening·····143
Child abuse, Insufficiency fracture, Severe motor and intellectual disabilities (SMID)·····175
Child maltreatment syndrome, Child Protection Team (CPT), Consultation-liaison psychiatry·····153
Child maltreatment, Child abuse, Child Protection Team·····119
Child Protection Team, Child maltreatment, Child abuse·····119
Child Protection Team (CPT), Child maltreat-ment syndrome, Consultation-liaison psychiatry·····153
Chronic pain, Coolief, Knee osteoarthritis·····873
Classification, Ankle malleolus fracture, Mecha-nism of injury·····1093
Clavicle fracture, ORIF, Minimally invasive plate osteosynthesis (MIPO)·····493
Clinic, Treatment coordination, Secondary fracture prevention·····945
Clinic management, Healthcare digital transforma-tion, Medical appointment management software·····1131
Clinical result, Surface implant arthroplasty, Proximal interphalangeal joint·····1451
Collaboration with trauma resuscitation center, Trauma reconstruction, Helicopter transporta-tion·····447
combined TAA(combined total ankle arthroplasty), Total talar prosthesis, Total ankle arthroplasty (TAA)·····297
Combined total ankle arthroplasty (combined TAA), Total talar prosthesis, Total ankle arthro-plasty (TAA)·····297

Comminuted proximal humeral fracture , Avascular necrosis of humeral head, Hokudai classification.....	891
Complex trait , GWAS, Developmental dysplasia of the hip.....	757
Complication , Prognosis, FFPs.....	743
Computed Tomography , Fragility fractures of the pelvis, Rommens classification.....	721
Computer-assisted orthopaedic surgery , Total hip arthroplasty, Robotics.....	1203
Computer-assisted surgery (CAS) , Robotic-assisted surgery (RAS), Total knee arthroplasty (TKA).....	1195
Conservative therapy , Osteoarthritis, Hip.....	1377
Conservative therapy , Pediatric forearm fracture, Riding type fracture.....	425
Conservative treatment , Acute traumatic patellar dislocation, Scoring system.....	19
Conservative treatment , Fragility pelvic ring fractures, Percutaneous screw fixation.....	727
Conservative treatment , Isolated greater trochanteric fracture, Non-displaced femoral trochanteric fracture.....	323
Conservative treatment , Occult femoral trochanteric fracture, Second hip fracture.....	1495
Conservative treatment , Osteoarthritis of the ankle, Physical therapy.....	233
Consultation-liaison psychiatry , Child maltreatment syndrome, Child Protection Team (CPT).....	153
Coolief , Chronic pain, Knee osteoarthritis.....	873
Coordination movement , Arthroscopic rotator cuff advancement, Low-load rotator cuff exercise.....	1075
Coronoid fracture , Anteromedial approach, Intermuscular plane.....	989
Corporal punishment , Child abuse, Adverse childhood experience.....	135
Corrective osteotomy , Malunion, 3 D printing.....	1291
Corticosteroid injection , Lateral epicondylitis, Varus instability.....	983
CPT (child protection team) , Child maltreatment syndrome, Consultation-liaison psychiatry.....	153
Cryotherapy , Metastatic bone tumor, Abscopal effect.....	1565
CT/PET , DWIBS, Dixon.....	801
CTIBL , Cancer-osteoporosis, Orthopaedic.....	843
Cumulated Ambulation Score , Early surgery, DPC database.....	963

D

Debridement , Fracture-related infection, High concentrated antibiotics local infusion.....	695
Delirium , Delirium prevention, Perioperative period.....	567
Delirium prevention , Delirium, Perioperative period.....	567
Descending aorta , Diffuse idiopathic skeletal hyperostosis, Thoracic vertebra.....	1489
Developmental dysplasia of the hip , GWAS, Complex trait.....	757

Diagnosis , Axial spondyloarthritis, Ankylosing spondylitis.....	1317
Diagnosis , Dual energy CT, Fragility fractures of pelvic ring.....	715
Dialysis amyloidosis , Shoulder pain, Ultrasound.....	431
Diffuse idiopathic skeletal hyperostosis , Descending aorta, Thoracic vertebra.....	1489
Digital Spine , DX, Spine surgery.....	1185
Digital transformation , Early warning system, Interactive white board.....	1139
Digital transformation , Site-driven DX by pharmacists, Application development by pharmacists.....	1149
Digital transformation , Spine surgeon, Electronic medical record.....	1253
Digital transformation (DX) , Attendance management, iOS Journal features.....	1175
Digital transformation in healthcare , Orthopaedic surgeon education app, Improving productivity in medical industry.....	1219
Disaster , The Japanese Orthopaedic Association, Trauma.....	1515
Disaster medicine , Emergency medical team, Field hospital.....	1557
Disaster medicine , The 2011 Great East Japan Earthquake, The 2024 Noto Peninsula Earthquake.....	1535
Disaster medicine , Tonankai/Nankai Trough Earthquakes, Orthopaedic trauma care.....	1545
Discoid lateral meniscus , 3-year-old child, MRI.....	1105
Distal femoral fractures , Nail plate combination, Early weight bearing.....	659
Distal humerus fracture , Total elbow arthroplasty, Elderly patients.....	617
Distal humerus fractures , Double plating, Locking plate.....	609
Distal radius fracture , Historical evolution of the treatment, Future prospects.....	509
Distal radius fracture , Osteoporosis, Fragility fracture.....	315
Distal realignment , Unstable patella, Tibial tubercle transfer.....	47
Distal tibial intra-articular osteotomy , Distal tibial oblique osteotomy, Ankle osteoarthritis.....	257
Distal tibial oblique osteotomy , Ankle osteoarthritis, Bone graft.....	249
Distal tibial oblique osteotomy , Distal tibial intra-articular osteotomy, Ankle osteoarthritis.....	257
Dixon , PET/CT, DWIBS.....	801
Documentation of trauma , Photos of external findings, Risk of death from abuse.....	129
Dorsal approach , Bouchard node, Silicone implant arthroplasty.....	1441
Double plating , Distal humerus fractures, Locking plate.....	609
DPC database , Early surgery, Cumulated Ambulation Score.....	963
Drug therapy , Rheumatoid arthritis, Non-drug therapy.....	351

DTx, Exercise therapy, Health app·····1233
Dual energy CT, Diagnosis, Fragility fractures of pelvic ring·····715
Dupuytren's contracture, Palmar aponeurosis, Fibrosis·····1427
DWIBS, PET/CT, Dixon·····801
DX, Digital Spine, Spine surgery·····1185
DX, Microsoft 365, Automation·····1167
DX (digital transformation), Attendance management, iOS Journal features·····1175

E

Early surgery, Cumulated Ambulation Score, DPC database·····963
Early warning system, Digital transformation, Interactive white board·····1139
Early weight bearing, Distal femoral fractures, Nail plate combination·····659
Earthquake, JRAT, Rehabilitation medicine·····1551
Echographic diagnosis, Ultrasound, Pediatric elbow trauma·····485
Education, Orthopaedic trauma unit, Work style reform·····449
Eduction, Trauma and Reconstruction Center, University-affiliated facility·····455
Elderly, Hand disorders, Carpal tunnel syndrome··1405
Elderly patient, Thumb carpometacarpal osteoarthritis, Arthrodesis·····1459
Elderly patients, Distal humerus fracture, Total elbow arthroplasty·····617
Elderly patients, Ring external fixator, Immediately weight bearing·····673
Electronic medical chart information standardization, Roadmap for the promotion of healthcare DX (digital transformation), The nationwide healthcare information platform·····1119
Electronic medical record, Digital transformation, Spine surgeon·····1253
Emergency medical team, Disaster medicine, Field hospital·····1557
Enzyme replacement therapy, Mucopolysaccharidases, Orthopaedics·····401
Epidemiology, Ankle osteoarthritis, Pathogenesis··225
Epidemiology, Hip fracture, Secondary fractures··911
Epiphyseal injury, Fracture, Child abuse·····159
Estrogen, Carpal tunnel syndrome, Triamcinolone·····1411
Exercise, Osteoporosis, Bone mineral density·····1263
Exercise therapy, Health app, DTx·····1233
Explainable AI, Machine learning, Hip fracture··1087
External fixator, Phalangeal fractures, Surgical treatment·····1275

F

Fascia lata, Massive rotator cuff tear, Graft augmentation·····1015
Femoral bowing, Atypical femoral fracture, Antiresorptive agent·····649
Femoral bowing, Hypophosphatasia, Tissue-non-

specific alkaline phosphatase·····395
Femoral trochanteric fractures, ASULOCK[®], Sliding and rotation·····317
FFPs, Prognosis, Complication·····743
FGF23, X-linked hypophosphatemia, Tumor-induced osteomalacia·····387
FGFR3, Achondroplasia, Vosoritide·····373
Fibro-adipogenic progenitors, Parathyroid hormone, Muscle regeneration·····973
Fibrosis, Dupuytren's contracture, Palmar aponeurosis·····1427
Field hospital, Disaster medicine, Emergency medical team·····1557
FINE[®] Total Ankle System, Soft tissue balance, Rehabilitation·····281
First metacarpal osteotomy, Trapeziometacarpal osteoarthritis, Shamoji plate·····1475
Fracture, Artificial intelligence (AI), Orthopaedic trauma·····477
Fracture, Child abuse, Epiphyseal injury·····159
Fracture, Child abuse, Skeletal screening·····143
Fracture liaison services, Hip fracture, Multidisciplinary collaboration·····469
Fracture progression, Fragility fractures of the pelvis, Geriatric fractures·····711
Fracture risk, Anabolic drug, Antiresorptive drug·····557
Fracture-related infection, Debridement, High concentrated antibiotics local infusion·····695
Fragility fracture, Functional outcome, Pelvis ring·····749
Fragility fracture, Hip fracture center, Orthogeriatric co-management·····461
Fragility fracture, Osteoporosis, Distal radius fracture·····315
Fragility Fracture Network, Secondary fracture prevention, Reimbursement·····921
Fragility fractures of pelvic ring, Diagnosis, Dual energy CT·····715
Fragility fractures of the pelvis, Fracture progression, Geriatric fractures·····711
Fragility fractures of the pelvis, Geriatric patient, Minimally invasive fixation·····579
Fragility fractures of the pelvis, Iliac intramedullary stabilization, Sacro-iliac rod fixation·····737
Fragility fractures of the pelvis, Rommens classification, Computed Tomography·····721
Fragility pelvic ring fractures, Conservative treatment, Percutaneous screw fixation·····727
Fresh lumbar spondylolysis, Bone union, Physical function·····199
Fresh lumbar spondylolysis, Magnetic resonance imaging, Lumbar paraspinal muscle·····87
Fresh lumbar spondylolysis, Side of occurrence, Sports events·····91
Functional outcome, Fragility fracture, Pelvis ring·····749
Future prospects, Distal radius fracture, Historical evolution of the treatment·····509

G

- Gas-forming**, Iliopsoas abscess, Pyogenic spondylitis.....1383
- Gene therapy**, Osteogenesis imperfecta, Bisphosphonates.....365
- Geriatric fractures**, Fragility fractures of the pelvis, Fracture progression.....711
- Geriatric patient**, Fragility fractures of the pelvis, Minimally invasive fixation.....579
- Glucocorticoid-induced osteoporosis**, Secondary osteoporosis, Treatment of secondary osteoporosis.....549
- Graft augmentation**, Massive rotator cuff tear, Fascia lata.....1015
- Gustilo-Anderson classification type III B**, Tsushima classification, Reconstruction.....531
- GWAS**, Complex trait, Developmental dysplasia of the hip.....757

H

- Hamstring autograft**, MPFL reconstruction, Indication.....25
- Hand**, Cervical Myelopathy, AI.....1227
- Hand disorders**, Elderly, Carpal tunnel syndrome.....1405
- Headless compression screw**, Metacarpal neck fracture, Intramedullary screw fixation.....1587
- Health app**, Exercise therapy, DTx.....1233
- Healthcare digital transformation**, Medical appointment management software, Clinic management.....1131
- Heberden's nodule**, Night-time splint treatment, Silicone implant arthroplasty.....1431
- Helicopter transportation**, Trauma reconstruction, Collaboration with trauma resuscitation center.....447
- Heterotopic ossification**, Bone morphogenetic protein, Receptor.....379
- High concentrated antibiotics local infusion**, Fracture-related infection, Debridement.....695
- High school students**, Locomotive syndrome, Risk factors.....885
- High-pitch imaging**, Photon-counting CT, Spectral image.....1373
- Hip**, Osteoarthritis, Conservative therapy.....1377
- Hip arthroplasty**, Periprosthetic femoral fractures, Stem stability.....521
- Hip fracture**, Fracture liaison services, Multidisciplinary collaboration.....469
- Hip fracture**, Machine learning, Explainable AI.....1087
- Hip fracture**, Osteoporosis, Secondary fracture prevention.....927
- Hip fracture**, Secondary fracture prevention, Medical cooperation.....937
- Hip fracture**, Secondary fractures, Epidemiology.....911
- Hip fracture center**, Orthogeriatric co-management, Fragility fracture.....461
- Hip fractures**, Multidisciplinary care, Orthogeriatric.....915

- Historical evolution of the treatment**, Distal radius fracture, Future prospects.....509
- Hokudai classification**, Comminuted proximal humeral fracture, Avascular necrosis of humeral head.....891
- Humeral fracture**, Radial nerve palsy, Nerve injury.....503
- Hypophosphatasia**, Femoral bowing, Tissue-nonspecific alkaline phosphatase.....395

I

- Iliac intramedullary stabilization**, Fragility fractures of the pelvis, Sacro-iliac rod fixation.....737
- Iliopsoas abscess**, Gas-forming, Pyogenic spondylitis.....1383
- Immediately weight bearing**, Ring external fixator, Elderly patients.....673
- Immune checkpoint inhibitor**, Bone metastasis, Prognosis.....851
- IMRAD**, Association, Causality.....439
- Improving productivity in medical industry**, Digital transformation in healthcare, Orthopaedic surgeon education app.....1219
- Indication**, MPFL reconstruction, Hamstring autograft.....25
- Indications and surgical techniques**, Three-part and four-part proximal humerus fracture, Reverse shoulder arthroplasty.....597
- Indigo carmine**, Induced membrane technique, Bone cement.....689
- Induced membrane technique**, Bone cement, Indigo carmine.....689
- Infiltration**, Osteoarthritis, Knee.....879
- Inflammatory bowel disease**, Spondyloarthritis, Therapy.....1351
- Insole therapy**, Anterior inferior tibiofibular ligament injury, Ankle joint supination sprain.....213
- Insufficiency fracture**, Severe motor and intellectual disabilities (SMID), Child abuse.....175
- Interactive white board**, Digital transformation, Early warning system.....1139
- Internervous plane**, Coronoid fracture, Anteromedial approach.....989
- Intramedullary screw fixation**, Metacarpal neck fracture, Headless compression screw.....1587
- iOS Journal features**, Digital transformation (DX), Attendance management.....1175
- Irreducible dislocation**, Proximal interphalangeal joint, Planter plate interposition.....105
- Isolated greater trochanteric fracture**, Non-displaced femoral trochanteric fracture, Conservative treatment.....323

J

- Joint preserving surgery**, Ankle osteoarthritis, Low tibial osteotomy (LTO).....241
- JRAT**, Rehabilitation medicine, Earthquake.....1551

K

- Knee**, Osteoarthritis, Infiltration·····879
Knee, Osteoarthritis, Semaglutide·····979
Knee, Ultrasonography, Tibial nerve·····1269
Knee osteoarthritis, Coolief, Chronic pain·····873

L

- Laboratory medicine**, LC-MS/MS, 25 (OH) D·····183
Lateral epicondylitis, Varus instability, Corticosteroid injection·····983
Lateral patella instability, Medial patellofemoral ligament, Artificial ligament·····33
Lateral patellar dislocation, Patellofemoral instability, Skeletally immature·····41
Lateral transfibular approach, Ankle osteoarthritis, Total ankle arthroplasty·····273
LC-MS/MS, 25 (OH) D, Laboratory medicine·····183
LLIF, Lumbar artery aneurysm, Thigh symptoms··779
Locking plate, Distal humerus fractures, Double plating·····609
Locomotive syndrome, High school students, Risk factors·····885
Locomotive syndrome in cancer patients, Bone metastasis, Quality of death/dying·····797
Low-load rotator cuff exercise, Arthroscopic rotator cuff advancement, Coordination movement·····1075
Low tibial osteotomy (LTO), Ankle osteoarthritis, Joint preserving surgery·····241
LTO (low tibial osteotomy), Ankle osteoarthritis, Joint preserving surgery·····241
Lumbar artery aneurysm, LLIF, Thigh symptoms··779
Lumbar paraspinal muscle, Fresh lumbar spondylolysis, Magnetic resonance imaging·····87
Lumbar plexus, Psoas major muscle, Ultrasonography·····1581
Lysophosphatidic acid, Spinal canal stenosis, Lysophosphatidylcholine·····79
Lysophosphatidylcholine, Spinal canal stenosis, Lysophosphatidic acid·····79

M

- Machine learning**, Hip fracture, Explainable AI····1087
Magnetic resonance imaging, Fresh lumbar spondylolysis, Lumbar paraspinal muscle·····87
Malunion, Corrective osteotomy, 3 D printing····1291
Massive rotator cuff tear, Augmentation, Arthroscopic rotator cuff repair·····1029
Massive rotator cuff tear, Graft augmentation, Fascia lata·····1015
Massive rotator cuff tears, Arthroscopic rotator cuff repair, Biceps rerouting technique·····1067
Mechanism of injury, Ankle malleolus fracture, Classification·····1093
Medial patellofemoral ligament, Artificial ligament, Lateral patella instability·····33
Medial patellofemoral ligament, Patellar instability, Patellofemoral joint disorder·····9

- Medialization**, Rotator cuff tear, Arthroscopic rotator cuff repair·····1037
Medical appointment management software, Healthcare digital transformation, Clinic management·····1131
Medical cooperation, Hip fracture, Secondary fracture prevention·····937
Metacarpal neck fracture, Intramedullary screw fixation, Headless compression screw·····1587
Metallic trochleoplasty, Patellofemoral arthroplasty, Patella instability·····71
Metastatic bone tumor, Abscopal effect, Cryotherapy·····1565
Metastatic long bone tumor, Prophylactic intramedullary nail fixation, Multi-disciplinary team effort·····815
Metastatic spinal tumor, Separation surgery, Surgery·····809
Metaverse, Adolescent and young adult, Virtual reality·····1245
Microsoft 365, DX, Automation·····1167
Minimally invasive fixation, Fragility fractures of the pelvis, Geriatric patient·····579
Minimally invasive plate osteosynthesis (MIPO), Clavicle fracture, ORIF·····493
MIPO (minimally invasive plate osteosynthesis), Clavicle fracture, ORIF·····493
Modified PAO diagnostic guidance 2022, Pustulotic arthro-osteitis (PAO), Sonozaki disease··1361
Motorised injector, Abaloparatide, Osteoporosis··1287
MPFL reconstruction, Hamstring autograft, Indication·····25
MRI, Discoid lateral meniscus, 3-year-old child··1105
MRI, Spondyloarthritis, Pitfall·····1325
Mucopolysaccharidoses, Enzyme replacement therapy, Orthopaedics·····401
Multi-disciplinary team effort, Metastatic long bone tumor, Prophylactic intramedullary nail fixation·····815
Multidisciplinary care, Hip fractures, Orthogeriatrics·····915
Multidisciplinary collaboration, Hip fracture, Fracture liaison services·····469
Multidisciplinary management, Bone metastasis, Spinal surgery·····767
Multidisciplinary treatment, Bone metastasis, Cancer board·····835
Muscle regeneration, Fibro-adipogenic progenitors, Parathyroid hormone·····973
Myoelectric hands, Targeted muscle reinnervation, Artificial intelligence·····1211

N

- Nail plate combination**, Distal femoral fractures, Early weight bearing·····659
Neck muscle strength, Sumo wrestler, Atlas fracture·····189
Nerve injury, Humeral fracture, Radial nerve palsy·····503

Night-time splint treatment, Heberden's nodule, Silicone implant arthroplasty.....1431
Non-displaced femoral trochanteric fracture, Isolated greater trochanteric fracture, Conservative treatment.....323
Non-drug therapy, Rheumatoid arthritis, Drug therapy.....351
Non-radiographic axial spondyloarthritis, Axial spondyloarthritis, Ankylosing spondylitis.....1331
Non-radiographic axial spondyloarthritis, Spondyloarthritis, Ankylosing spondylitis.....1311
Nonunion, Regeneration, CD34-positive cell.....681
Noto Peninsula Earthquake, Web training, Orthopaedic.....1525

O

Obturator externus muscle, Ultrasonography, Borderline dysplasia.....1389
Occult femoral trochanteric fracture, Conservative treatment, Second hip fracture.....1495
Offset nail, 3 D, Simulation.....99
Open ankle arthrodesis, Arthroscopic ankle arthrodesis, Ankle osteoarthritis.....265
Open reduction, Ankle fracture, Posterior malleolar fracture.....1099
Oral nutritional supplementation, Secondary fracture, Osteoporosis.....955
ORIF, Clavicle fracture, Minimally invasive plate osteosynthesis (MIPO).....493
Orthogeriatric co-management, Hip fracture center, Fragility fracture.....461
Orthogeriatrics, Hip fractures, Multidisciplinary care.....915
Orthopaedic, Cancer-osteoporosis, CTIBL.....843
Orthopaedic, Noto Peninsula Earthquake, Web training.....1525
Orthopaedic surgeon education app, Digital transformation in healthcare, Improving productivity in medical industry.....1219
Orthopaedic trauma, 2024 Noto Peninsula Earthquake, Aeromedical evacuation.....1519
Orthopaedic trauma, Artificial intelligence (AI), Fracture.....477
Orthopaedic trauma, The 2016 Kumamoto Earthquake, The 2024 Noto Peninsula Earthquake.....1529
Orthopaedic trauma care, Tonankai/Nankai Trough Earthquakes, Disaster medicine.....1545
Orthopaedic trauma unit, Education, Work style reform.....449
Orthopaedics, Mucopolysaccharidoses, Enzyme replacement therapy.....401
Osteoarthritis, Hip, Conservative therapy.....1377
Osteoarthritis, Knee, Infiltration.....879
Osteoarthritis, Knee, Semaglutide.....979
Osteoarthritis, Thumb carpometacarpal joint, Arthroplasty.....1467
Osteoarthritis of the ankle, Conservative treatment, Physical therapy.....233
Osteoarthritis of the hip, Total hip arthroplasty,

Return to work.....1569
Osteochondral fracture, Patellofemoral instability, Cartilage repair.....53
Osteogenesis imperfecta, Bisphosphonates, Gene therapy.....365
Osteogenesis imperfecta, Skeletal dysplasia, Osteoporosis.....167
Osteoporosis, Abaloparatide, Motorised injector.....1287
Osteoporosis, Bone resorption and formation, Anti-fracture effects.....343
Osteoporosis, Distal radius fracture, Fragility fracture.....315
Osteoporosis, Exercise, Bone mineral density.....1263
Osteoporosis, Hip fracture, Secondary fracture prevention.....927
Osteoporosis, Osteogenesis imperfecta, Skeletal dysplasia.....167
Osteoporosis, Secondary fracture, Oral nutritional supplementation.....955
Osteoporosis, Vertebral fracture, Treatment.....589

P

Palliative therapy, Bone metastases, Radiation therapy.....829
Palmar aponeurosis, Dupuytren's contracture, Fibrosis.....1427
PAO (pustulotic arthro-osteitis), Modified PAO diagnostic guidance 2022, Sonozaki disease.....1361
Parathyroid hormone, Fibro-adipogenic progenitors, Muscle regeneration.....973
Parkinson's disease, Amyotrophic lateral sclerosis, ATTRv amyloidosis.....407
Patella instability, Patellofemoral arthroplasty, Metallic trochleoplasty.....71
Patellar instability, Patellofemoral joint disorder, Medial patellofemoral ligament.....9
Patellofemoral arthroplasty, Patella instability, Metallic trochleoplasty.....71
Patellofemoral instability, Cartilage repair, Osteochondral fracture.....53
Patellofemoral instability, Lateral patellar dislocation, Skeletally immature.....41
Patellofemoral joint disorder, Patellar instability, Medial patellofemoral ligament.....9
Patellofemoral osteoarthritis, Trochleoplasty, Unicorn PF butterfly guide.....61
Pathogenesis, Ankle osteoarthritis, Epidemiology.....225
Pathological fractures, Proximal femur, Arthroplasty.....635
Pediatric elbow trauma, Echographic diagnosis, Ultrasound.....485
Pediatric forearm fracture, Riding type fracture, Conservative therapy.....425
Pelvis ring, Functional outcome, Fragility fracture.....749
Percutaneous screw fixation, Fragility pelvic ring fractures, Conservative treatment.....727
Perioperative period, Delirium, Delirium prevention.....567

Peripheral SpA , Spondyloarthritis (SpA), Axial SpA·····	359
Periprosthetic femoral fractures , Stem stability, Hip arthroplasty·····	521
PET/CT , DWIBS, Dixon·····	801
Phalangeal fractures , External fixator, Surgical treatment·····	1275
Photon-counting CT , Spectral image, High-pitch imaging·····	1373
Photos of external findings , Documentation of trauma, Risk of death from abuse·····	129
Physical function , Fresh lumbar spondylolysis, Bone union·····	199
Physical therapy , Osteoarthritis of the ankle, Conservative treatment·····	233
Pitfall , Spondyloarthritis, MRI·····	1325
Planter plate interposition , Proximal interphalangeal joint, Irreducible dislocation·····	105
Plate fixation , Staged treatment, Articular surface reduction·····	541
Posterior malleolar fracture , Ankle fracture, Open reduction·····	1099
Posterosuperior massive rotator cuff tear , Trapezius, Tendon transfer·····	1023
Precision medicine , Psoriatic arthritis, Treatment·····	1343
Prognosis , Bone metastasis, Immune checkpoint inhibitor·····	851
Prognosis , Complication, FFPs·····	743
Prophylactic intramedullary nail fixation , Metastatic long bone tumor, Multi-disciplinary team effort·····	815
Prophylactic intramedullary nailing , Bone metastasis, Tumor marker·····	861
Proximal femur , Pathological fractures, Arthroplasty·····	635
Proximal interphalangeal joint , Irreducible dislocation, Planter plate interposition·····	105
Proximal interphalangeal joint , Surface implant arthroplasty, Clinical result·····	1451
Psoas major muscle , Lumbar plexus, Ultrasonography·····	1581
Psoriasis vulgaris , Psoriatic arthritis, Arthritis risk factor·····	1337
Psoriatic arthritis , Psoriasis vulgaris, Arthritis risk factor·····	1337
Psoriatic arthritis , Treatment, Precision medicine·····	1343
Pustulotic arthro-osteitis (PAO) , Modified PAO diagnostic guidance 2022, Sonozaki disease·····	1361
Pyogenic spondylitis , Iliopsoas abscess, Gas-forming·····	1383

Q

Quality of death/dying , Locomotive syndrome in cancer patients, Bone metastasis·····	797
--	-----

R

Radial nerve palsy , Humeral fracture, Nerve

injury·····	503
Radiation therapy , Bone metastases, Palliative therapy·····	829
Radiofrequency ablation , Bone metastasis, Transcatheter arterial embolization·····	821
RAS (robotic-assisted surgery) , Computer-assisted surgery (CAS), Total knee arthroplasty (TKA)·····	1195
Receptor , Heterotopic ossification, Bone morphogenetic protein·····	379
Reconstruction , Gustilo–Anderson classification type III B, Tsuchida classification·····	531
Regeneration , Nonunion, CD34–positive cell·····	681
Rehabilitation , FINE® Total Ankle System, Soft tissue balance·····	281
Rehabilitation , Virtual reality, Somato–cognitive coordination therapy·····	1483
Rehabilitation medicine , JRAT, Earthquake·····	1551
Reimbursement , Fragility Fracture Network, Secondary fracture prevention·····	921
Retrograde intramedullary nail , Ankle fracture, Tibiotalocalcaneal arthrodesis·····	665
Return to work , Total hip arthroplasty, Osteoarthritis of the hip·····	1569
Reverse shoulder arthroplasty , Three–part and four–part proximal humerus fracture, Indications and surgical techniques·····	597
RFID , Surgical supply, Traceability·····	1161
Rheumatoid arthritis , Drug therapy, Non–drug therapy·····	351
Riding type fracture , Pediatric forearm fracture, Conservative therapy·····	425
Ring external fixator , Immediately weight bearing, Elderly patients·····	673
Risk factors , Locomotive syndrome, High school students·····	885
Risk of death from abuse , Documentation of trauma, Photos of external findings·····	129
Roadmap for the promotion of healthcare DX (digital transformation) , The nationwide healthcare information platform, Electronic medical chart information standardization·····	1119
Robotic-assisted surgery (RAS) , Computer-assisted surgery (CAS), Total knee arthroplasty (TKA)·····	1195
Robotics , Computer-assisted orthopaedic surgery, Total hip arthroplasty·····	1203
Rommens classification , Fragility fractures of the pelvis, Computed Tomography·····	721
Romozumab , Bone mineral density, Bone turnover marker·····	763
Rotator cuff , Anatomy, Capsule·····	1001
Rotator cuff tear , Arthroscopic rotator cuff muscle advancement, Arthroscopic rotator cuff repair·····	1007
Rotator cuff tear , Arthroscopic rotator cuff repair, Medialization·····	1037
Rotator cuff tear , Superior capsule reconstruction, Autologous fascia lata graft·····	1047

S

Sacro-iliac rod fixation, Fragility fractures of the pelvis, Iliac intramedullary stabilization·····737

Scoliosis, ZOZOSUIT® 2, Screening·····415

Scoring system, Acute traumatic patellar dislocation, Conservative treatment·····19

Screening, Scoliosis, ZOZOSUIT® 2·····415

Second hip fracture, Occult femoral trochanteric fracture, Conservative treatment·····1495

Second hip fracture, Third hip fracture, Characteristics·····773

Secondary fracture prevention, Clinic, Treatment coordination·····945

Secondary fracture prevention, Fragility Fracture Network, Reimbursement·····921

Secondary fracture prevention, Hip fracture, Medical cooperation·····937

Secondary fracture prevention, Osteoporosis, Hip fracture·····927

Secondary fracture, Osteoporosis, Oral nutritional supplementation·····955

Secondary fractures, Hip fracture, Epidemiology·····911

Secondary osteoporosis, Glucocorticoid-induced osteoporosis, Treatment of secondary osteoporosis·····549

Semaglutide, Osteoarthritis, Knee·····979

Semispinalis cervicis muscle, Ultrasonography, Cervical multifidus muscle·····207

Separation surgery, Metastatic spinal tumor, Surgery·····809

Severe motor and intellectual disabilities (SMID), Insufficiency fracture, Child abuse·····175

Shamaji plate, First metacarpal osteotomy, Trapezometacarpal osteoarthritis·····1475

Shoulder pain, Dialysis amyloidosis, Ultrasound·····431

Side of occurrence, Fresh lumbar spondylolysis, Sports events·····91

Silicone implant arthroplasty, Bouchard node, Dorsal approach·····1441

Silicone implant arthroplasty, Heberden's nodule, Night-time splint treatment·····1431

Simulation, 3 D, Offset nail·····99

Site-driven DX by pharmacists, Digital transformation, Application development by pharmacists·····1149

Skeletal dysplasia, Osteogenesis imperfecta, Osteoporosis·····167

Skeletal screening, Child abuse, Fracture·····143

Skeletally immature, Patellofemoral instability, Lateral patellar dislocation·····41

Sliding and rotation, Femoral trochanteric fractures, ASULOCK®·····317

SMID(severe motor and intellectual disabilities), Insufficiency fracture, Child abuse·····175

Snapping finger, Stenosing tenosynovitis, Trigger finger·····1417

Soft tissue balance, FINE® Total Ankle System, Rehabilitation·····281

Somato-cognitive coordination therapy, Virtual reality, Rehabilitation·····1483

Sonozaki disease, Pustulotic arthro-osteitis (PAO), Modified PAO diagnostic guidance 2022·····1361

SpA (spondyloarthritis), Axial SpA, Peripheral SpA·····359

Spectral image, Photon-counting CT, High-pitch imaging·····1373

Spinal canal stenosis, Lysophosphatidic acid, Lysophosphatidylcholine·····79

Spinal metastasis, Surgery, Ambulatory function·····1281

Spinal surgery, Bone metastasis, Multidisciplinary management·····767

Spine surgeon, Digital transformation, Electronic medical record·····1253

Spine surgery, Digital Spine, DX·····1185

Spondyloarthritis, Ankylosing spondylitis, Non-radiographic axial spondyloarthritis·····1311

Spondyloarthritis, Inflammatory bowel disease, Therapy·····1351

Spondyloarthritis, MRI, Pitfall·····1325

Spondyloarthritis (SpA), Axial SpA, Peripheral SpA·····359

Sports events, Fresh lumbar spondylolysis, Side of occurrence·····91

Staged treatment, Articular surface reduction, Plate fixation·····541

Stem stability, Periprosthetic femoral fractures, Hip arthroplasty·····521

Stenosing tenosynovitis, Trigger finger, Snapping finger·····1417

Subscapularis, Arthroscopy, Suture bridge technique·····1057

Sumo wrestler, Neck muscle strength, Atlas fracture·····189

Superior capsule reconstruction, Rotator cuff tear, Autologous fascia lata graft·····1047

Surface implant arthroplasty, Clinical result, Proximal interphalangeal joint·····1451

Surgery, Separation surgery, Metastatic spinal tumor·····809

Surgery, Spinal metastasis, Ambulatory function·····1281

Surgical supply, RFID, Traceability·····1161

Surgical technique, Bone cement, Bipolar hip arthroplasty·····627

Surgical technique, Total ankle arthroplasty, Tibial osteotomy·····287

Surgical treatment, Phalangeal fractures, External fixator·····1275

Suture bridge technique, Subscapularis, Arthroscopy·····1057

T

25 (OH) D, LC-MS/MS, Laboratory medicine·····183

2024 Noto Peninsula Earthquake, Orthopaedic trauma, Aeromedical evacuation·····1519

3 D, Simulation, Offset nail·····99

3 D printing, Corrective osteotomy, Malunion·····1291

3 D-3 D registration, Upright CT, Biomechanics·····305

3-year-old child , Discoid lateral meniscus, MRI···	1105
TAA (total ankle arthroplasty) , Total talar prosthesis, Combined total ankle arthroplasty (combined TAA)·····	297
Targeted muscle reinnervation , Myoelectric hands, Artificial intelligence·····	1211
Tendon transfer , Trapezius, Posterosuperior massive rotator cuff tear·····	1023
Teriparatide , Bone mineral density, Twice-weekly injections·····	419
The 2011 Great East Japan Earthquake , The 2024 Noto Peninsula Earthquake, Disaster medicine···	1535
The 2016 Kumamoto Earthquake , The 2024 Noto Peninsula Earthquake, Orthopaedic trauma·····	1529
