Volume 36, Number 12, December 2024

CONTENTS

Special Issue

Management of Gastrointestinal Varices: Update

Introductory remarks

Transition of endoscopic treatment for gastrointestinal varices *Katsutoshi Obara* 1612

Hemodynamics of portal hypertension including sinistral subtype *Fumio Chikamori et al.* 1615

Pathology of portal hypertension: vascular construction of esophageal and gastric varices
and pathology of the liver and spleen *Masayoshi Kage et al.* 1626

I. Esophageal Varices

Esophageal varices: endoscopic diagnosis and therapeutic indication *Atsushi Irisawa et al.* 1636

【Note】 Roles of endoscopic ultrasonography (EUS)
in the management of esophageal varices *Shinichi Nakamura et al.* 1642

【Note】 Roles of image-enhanced endoscopy (IEE)
in the management of esophageal varices *Yoshihiro Furuichi et al.* 1645

Endoscopic treatment for bleeding esophageal varices *Hiroyuki Hisai et al.* 1650

Prophylactic endoscopic treatment for esophageal varices:
endoscopic injection sclerotherapy (EIS) *Kenji Nakamura et al.* 1657

【Note】 Basics and tips for intravenous injection in
endoscopic injection sclerotherapy (EIS) *Hajime Takatori* 1661

Prophylactic endoscopic treatment for esophageal varices:
basics and tips for endoscopic variceal ligation (EVL) *Nana Shimamoto et al.* 1666

【Case study】 A case of esophageal varices with
difficult prophylactic endoscopic treatment *Shintaro Tsukinaga et al.* 1669

II. Gastric Varices

Gastric varices: endoscopic diagnosis and therapeutic indication *Yasuyuki Shirai et al.* 1672

Endoscopic treatment for bleeding gastric varices *Hiroo Imazu et al.* 1677

【Note】 Tips for cyanoacrylate injection into gastric varices *Shinya Yokoyama et al.* 1682

Prophylactic endoscopic treatment for gastric varices *Tsunetaka Kato et al.* 1686

【Note】 Endoscopic ultrasound-guided treatment for isolated gastric varices *Kazunori Nagashima et al.* 1691

【Case study】 A case of gastric varices treated with injection therapy using direct forward viewing endoscopic ultrasound	<i>Keiji Yokoyama et al.</i> 1694
III. Ectopic Varices	
Ectopic varices: endoscopic diagnosis and therapeutic indication	<i>Shigenaga Matsui et al.</i> 1697
Endoscopic treatment for duodenal varices	<i>Masaru Kubokawa et al.</i> 1703
Endoscopic treatment for colorectal varices	<i>Yukinori Imai</i> 1707
【Note】 Varices at hepaticojejunostomy anastomosis and bile duct varices	<i>Tadayuki Takagi et al.</i> 1712
IV. Non-endoscopic treatments for portal hypertension that endoscopists should know	
Pharmacotherapies for gastrointestinal varices	<i>Hisashi Hidaka et al.</i> 1718
Interventional radiology for isolated gastric varices and ectopic varices	<i>Hiroto Inoue et al.</i> 1722
Surgical treatment for esophagogastric varices	<i>Tetsuya Shimizu et al.</i> 1727
【Note】 Treatment strategy for esophageal varices when Diagnosis Procedure Combination System is taken into account	<i>Naoya Murashima</i> 1733
Series Efficient Use of Big Data and Information and Communications Technology (ICT) in Endoscopy	
Trials for establishing an efficient database derived from electronic medical records	<i>Shigemi Matsumoto et al.</i> 1735
