

A stylized anatomical diagram of the human head and neck, focusing on the pharynx and esophagus. The diagram is composed of several concentric and overlapping shapes. At the top is a light pink circle. Below it is a vertical pink bar. The central part is a large circle with a white center. This central circle is surrounded by two concentric rings: an inner ring of light orange and an outer ring of a darker orange. Below the central circle is another vertical orange bar. At the bottom is a solid orange circle. The entire diagram is set against a solid magenta background.
